

Dyna**Hawk**TM ZA Series

Ultra High Definition Multiple Streams Compact Dome IP Camera

The Ultra High Definition Multiple Streams Compact Dome IP Camera is a high resolution surveillance solution with easy set up design. The camera can support up to 4K2K real-time video as well as1080P 60 fps high frame rate streaming which allows the videos to be viewed smoothly. Quad Streams Codec (H.264 Baseline / Main / High Profile + MJPEG) are supported for efficient bandwidth and storage management.

The camera is also equipped with HDR function, which can provide better image quality under extreme light contrast scenarios or changing lighting environments.

In addition, full ONVIF compatibility creates powerful connection between ZA series with any VMS. With comprehensive mounting accessories, camera can be easily installed for different application.

Key Features

- Sony Progressive Scan CMOS Sensor 3M / 4M Resolution
- Multi-exposure HDR (Multi-exposure Sensors is required)*
- Low Latency Streaming
- Low Power Consumption on Encoding
- Quad codec support (H.264 Baseline / Main Profile / High Profile / SVC / MJPEG)
- Quad Streams Support
- Tampering Alarm
- Motion Detection
- Text Overlay and Privacy Masks
- 3D Motion Compensated Noise Reduction (MCTF)
- Network Failure Detection
- True Day/Night Function (ICR)
- IR LED Module support (working distance up to 40m) *
- BNC Analog Output
- Weatherproof (IP66 International)*
- Vandal Proof (IK10 Rating) *
- 64GB microSDXC SD Card support
- ONVIF Profile S Support
